- Contact details

Pension payment information

Payment dates

The dates that your pension will be paid into your bank account during 2019 are below. Payment dates for December 2019 to March 2020 will be included in the pensioner section of our website ([pensions.northamptonshire.gov.uk](https://www.northamptonshire.gov.uk/pensions)) as soon as they are available.

Payment dates
25 April 2019
24 May 2019
25 June 2019
25 July 2019
23 August 2019
25 September 2019
25 October 2019
25 November 2019

For more information about pay dates, please call Payroll and Pension enquiries (option 3) on **0300 126 6661**.

Payslips

Payslips are currently issued every March, April and May. After that you will only receive a payslip when:

- there is a change in your net payment of £5 or more from the previous month;
- you have told us about a change of address; or
- your tax code has changed.

Income tax

Following the annual increase in state pensions, it is usual for HM Revenue & Customs to adjust the personal tax code of those pensioners who receive state retirement benefits. Usually, any new code issued for this will be applied in April or May and may result in a change in the amount of tax you pay from your pension.

If you have any questions about your new tax code, please write to the address shown here. When you contact the tax authorities, please quote reference NCC Pensioners 475/KB50344 or 475/VB50347 and your National Insurance number. You will receive your P60 for the tax year 2018/2019 by 31 May 2019.

Pensions revaluation 2019

Each year, the pension that you receive from us is usually increased in line with the cost of living. This is based on the Consumer Price index as assessed over the previous year, to 30 September. The next increase to your pension is due to take place on 8 April 2019. At the time of writing,

a formal announcement about the Pensions Increase for 2019 has not been made however, if the same method is used to set the Pensions Increase as was used previously, we would expect the pensions increase to be 2.4%.

New online pension account now available

We are pleased to announce that pensioner members of the Northamptonshire Pension Fund can now access their pension account online through our website. We believe this will make it easier for you to find information exactly when you need it. You will be able to access your payslips, check your personal details and more by logging in to your online pension account. Using your pension account online also has the following benefits.

- You can check and amend your death grant nomination.
- All communications we send you will be uploaded and stored securely in your online account.

How do I register?

You will need to register to access your account, if you have not already done so. Follow these three simple steps.

1. On the homepage of our website, select the Login/Register link to request an activation key. If we have the email address you have registered with, the activation key will be sent instantly. If we do not have your email address, we will send an email to the address you are registered with, asking for further information to confirm your identity.
2. Once you have received the activation key, you can complete your registration by selecting 'complete your registration' after following the link in your email.
3. To log in, enter your username and password and you will be able to access your information.

Please visit pensions.northamptonshire.gov.uk and enter the member's portal, then click on Login/Register to get started.

In the future, our aim is to communicate with you as much as possible electronically. We believe that this is a faster, more secure and more convenient way to communicate with you. You will be able to keep and access communications electronically, as they will all be saved in your online pension account. This removes the risk of communications being lost in the post or sent to the

wrong address, if you move home and forget to tell us. Nothing will change immediately and we will write to you again before moving to electronic communications. When we do make the switch, if you still want to receive communications by post, you will be able to opt out of electronic communications by telling us in writing. But there is no need to take action just yet.

National Fraud Initiative

Northamptonshire County Council act as the administering authority for the Northamptonshire Pension Fund and are required by law to protect the public funds we are responsible for. Your information may be shared with other bodies responsible for auditing or administering public funds for the

purpose of preventing and detecting fraud. As part of the 'National Fraud Initiative', by law, your information must be shared with the Cabinet Office. We make sure that the information we provide keeps to the Data Protection Act.

You can find more information about the National Fraud Initiative at www.gov.uk/government/collections/national-fraud-initiative

To read the National Fraud Initiative's privacy statement, please visit: www.gov.uk/government/publications/fair-processing-national-fraud-initiative/fair-processing-level-3-full-text

Keeping in touch

It is important to keep in touch with us so that we can continue to provide you with important information and manage your pension payments correctly. Please make sure that you let us know about any changes to your home address or bank or building society details as soon as possible. It is also important that you let us know if you have started a new job. Please use the contact details over the page to keep in touch.

If you do not tell us about any changes, we may suspend your pension payments.

Information for your next of kin

The following information is for your next of kin or the executors of your estate. Please cut out this section and keep with your will or other information to be used in the event of your death.

If you are dealing with the estate of a relative who receives a pension from us, you should tell us as soon as possible if they die. This makes sure any dependants' benefits are paid promptly, and also keeps pension overpayments to a minimum. We will need the following details of the pensioner.

- Name, address and date they died
- National Insurance number
- Name and address of next of kin
- The name and address of the person dealing with the estate, if not the next of kin
- Details of any dependent children

Our contact details are over the page.

Contact details

If you need to contact us, please remember to quote your National Insurance number with any enquiries.
